

EGYPT GAS Strategy:

Egypt Gas offers clients in the oil & gas sector unique and innovative solutions, whilst still upholding exceptional performance, quality and safety levels. Satisfy our customers and support their projects and tasks with innovative solutions and the highest possible industry standards for quality assurance.

Vision:

To be our company is the best value and highest position and the most prevalent in the fields of our scope inside and outside the oil & gas industry. Satisfy our customers and to support their projects and tasks.

Mission:

Egypt gas has a clear mission focused on provide the innovative solutions and the highest possible industry standards for quality assurance & Create more value for our employees and machinery.

Goals:

Maximize revenue and increase the number of customers.

Policy:

Our policy is to protect the environment, maintain sustainable development and earn confidence of customers and society

OUR PRESENCE

Logos include: EGAS, NGV, ETHYDCO, Tri-Ocean, KHARAFI NATIONAL, Huhtamaki, U.A.E., TAQA, Fayum gas, CAIRO gas, CIS, Royal OROCHAS, OVERSEAS GAS, GLOBAL PROJECTS SERVICES, NATGAS, ROWAD, PMS, NOSPCCO, ReGas, BDR, SEFI FONTEC, DELTA AROMATIC, PETROMANT, and ACDIMA.

WHY EGYPT GAS

Experience:
More than 34 years In Natural Gas Transmission & Distribution field since establishment.

Reliability:
Egypt Gas is a pioneer in providing services in a safe, professional manner with diversified operations Undertakes wide scope of services covering all elements of design, engineering, procurement and construction for Oil and Gas projects in the following fields (Offshore/Onshore):

Stability:
Governmental Company (the biggest company in Egypt & MENA region).

Safety:
Apply strictly HSE policy and follows latest international specs.

COMPETENCY, AWARENESS AND ATTITUDE
Incentive Programmes, other Quality Improvement Programmes are in place to mould a work force with an excellent competency level and an HSE awareness attitude to meet all the challenges we undertake

“ The pioneer company in Egypt & MENA region in Oil & Gas projects ”

CALIBRATION LAB

EGYPT GAS
Experience ... Continues with Generations

Egypt Gas

Lab is the first calibration lab in petroleum sector.

The intent of Egypt gas laboratory is to operate the calibration according to the following requirement :-

1. ISO /IEC 17025
2. ILAC & EGAC Criteria
3. Customer contracts

Scope of works

Pressure calibration lab (Permanent facility & On-site service)

- Pressure Balance calibration (up to 100 bar)
- Absolute & Atmospheric pressure (Barometer) calibration up to 10 bar a
- Dial & Digital gauges (up to 200 bar pneumatic & up to 1000 bar hydraulic).
- Pressure recorder (up to 200 bar pneumatic & up to 1000 bar hydraulic).
- Testing safety relief valve (up to 200 bar pneumatic & up to 1000 bar hydraulic).

Electricity Calibration Lab

- Multimeters - Clamp Meter - Earth Tester - Insulation Tester - loop Calibrator

Temperature Calibration Lab (Permanent facility & On-site service)

- Temperature calibration of thermometer with indicator (from -25 °C to 500 °C)

Mass & Balance calibration lab

- Mass Calibration up to 10 kg
- Balance Calibration up to 10 kg (Permanent facility & On-site service)

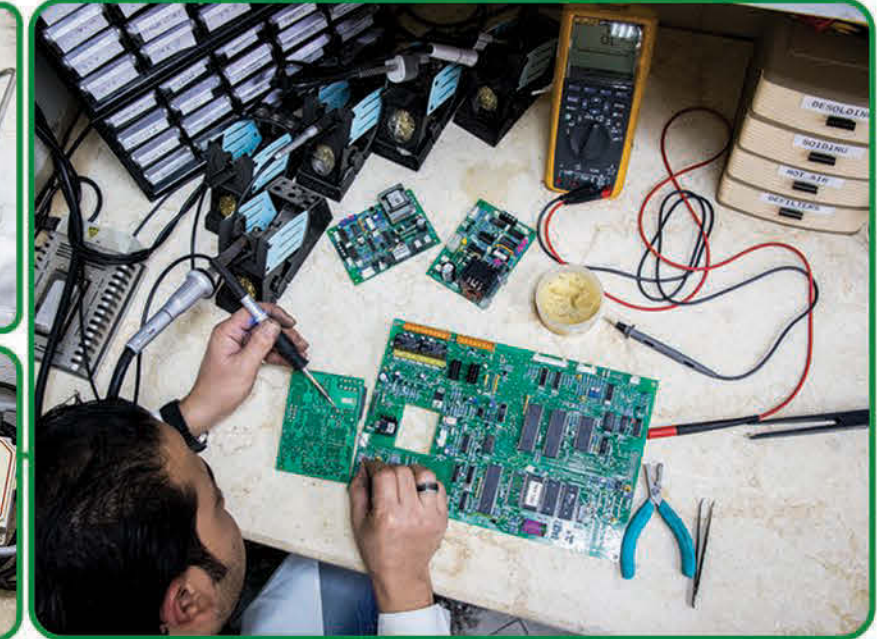

Calibration and Maintenance of

- Domestic Diaphragm gas meter (G2.5 - G4 - G6 - U6)
- Commercial Diaphragm gas meter (G10 - G16 - G25 - G40 - G65)

Calibration and Maintenance of Butt fusion & Electro fusion control box used in polyethylene pipeline

Calibration and Adjusting of Volume Corrector

Calibration and Maintenance of Gasuveyor & Holiday detector
